6322011	under40mm	200mm	70-80mm	400mm
6322021	40mm-50mm	250mm	80-90mm	450mm
6322021	50-60mm	300mm	90-100mm	500mm
6322021	60-70mm	350mm	100-110mm	550mm

CHAFE GUARD PRO

Ultra High Molecular Weight Polyethylene

The special coating enhances the abrasion resistance and further helps reduce internal and external fiber damage accumulated by the core rope.

Offers excellent chafe protection for the ropes.
